MANIFESTATION DETERMINATION (AS APPROPRIATE)

Complete when determining whether a student's behavior was a manifestation of her/his disability.

Disability:

Incident(s) that Resulted in Disciplinary Action

The Student's IEP and Placement (include a review of all relevant information in the child's file, including the child's IEP)

If "Yes" to either of the above, the behavior must be considered a manifestation of the student's disability.

Check the appropriate box:

- The student's behavior **WAS NOT** a manifestation of her/his disability. The relevant disciplinary procedures applicable to students without disabilities may be applied to the student in the same manner in which they are applied to students without disabilities. *If the district initiates disciplinary procedures applicable to all students, the district shall ensure that the special education and disciplinary records of the student with a disability are transmitted for consideration by the person or persons making the final determination regarding the disciplinary action.*
